Click here to take up the free options trading course today and get the skills to generate monthly income. Day trading strategies are essential when you are looking to capitalise on frequent, small price movements. Consistent, effective strategies rely on in-depth technical analysis, utilising charts, indicators and patterns to predict future price movements. The Three Legged Box Spread is one of the best option trading strategies available for retail investors today. Whether you only have a few thousand dollars or a large sum to invest, according to well known veteran trader David Vallieres, this one is the best. The appealing thing about it is, that it's execution is easy while it's results are reliable and consistent.
