Construction project management requires the skills and expertise of a traditional project manager but applied to the construction industry. Because a construction project is always shifting, an ideal construction project manager must possess a large array of experience and know-how to handle diverse teams and meet assorted objectives. The Ohio Facilities Construction Commission (OFCC) is responsible for guiding capital projects for state agencies, state-supported universities and community colleges, including Ohio public K-12 schools and managing the grants process for cultural facilities and school security programs. What Is Construction Bidding? A construction bid is the process of providing a potential customer with a proposal to build or manage the building of a structure. With over 500,000 users downloading 3 million documents per month, the WBDG is the only web-based portal providing government and industry practitioners with one-stop access to current information on a wide range of building-related guidance, criteria and technology from a 'whole buildings' perspective.
