

# Download Garelli Moped Owners Manual

Early fork: The Garelli Eureka and Sport models had the older type fork. It was a one-piece upper (outer) tubes and yoke, with lower (inner) sliding tubes. The other models had separate upper (inner) tubes, a yoke that clamped to them, with lower (outer) sliding tubes. This is a nice Avanti 2 spd Moped, Peddle start and assist, to save having a battery. This is in very nice condition. Gold paint is very bright all stickers are intact and look good. 1. Peug 102/103 Clutch Manual copy N/A 2. Peug 102 Dealer Manual orig 02/80 \$25 3. I do not host most of these, they are just links to other web sites.
